DECA

The High School Association of Marketing Students, also known as DECA, helps thousands of high school and college students develop leadership skills, vocational understanding, civic conscienceness and social responsibility. DECA emphasizes the importance of the highest standards in personal and business relationships, proficiency in communications, and a healthy, career oriented, competitive spirit.

Our chapter has decided again to create a *2010-2011* Mr. HHS school-wide event. This event features a dozen gentlemen that have excelled in leadership, determination, hard work and time management, as each one is involved in a variety of co-curricular and extra-curricular activities. For the past five years, Hamilton has hosted this event and invited the school community and Chandler residents to enjoy the showcase of talent and poise. this year we are once again featuring performances by eleven exceptional seniors, Hamilton VIBE, Hamilton Step, and others. **We hope you enjoy the show!**

Thank You

I would like to thank each and every one of you for coming out and supporting the *2010-2011* DECA Chapter. The profits made from this event will benefit the Hamilton DECA Chapter by providing funds for competitions, scholarships, community service initiatives and leadership training conferences that give students the foundation for their futures. In order for this production to run smoothly, it requires time, effort and financial assistance from students, volunteers and supporters like you. to the Master of Ceremony, Audio Visual Tech, judges, parent/teacher escorts and volunteers, thank you for your willingness to fill your calendars with one more event here at Hamilton. A huge thank you to all our donors, sponsors and workers for putting in countless hours behind the scenes to make sure this event would succeed. Thank you for all your continued investment in the future business and marketing leaders from Hamilton High School DECA.
